## **Two Miracle IQube's**

This instrument is ideal for practitioners' communities or people doing deep trauma-clearing work, those wanting deep change in groups to play frequencies that act like a psychic drill to get past some of the pain. This one includes voice software (VAHS) to do personalized and group tones along computer and microphone all ready-to-go. The software helps with personalizing the experience individually and in groups.

Today would be around \$8500 US (approx \$10,000 CDN today) if they were back in distribution.

### **What does it include?**

- A 6-coil Scalar energy instrument that can be held in groups or in individual quantum sound sessions and/or can be used to create a 24/7 Scalar energy vibrational field
- Speakers so you can hear the frequencies when you choose
- An MP3 player with both daytime, nighttime, and sleep playlists including frequencies for DNA repair, Clearing, Heart Opening, Focus and Digestion, and many many more. (22 in all)
- A computer preloaded and ready to go with the VAHS Voice software for creating personalized and group tones.

**The Suggested Energy Exchange is -\$4500 CDN plus tax and shipping**
